Futures' One Simmental Bull Sale
Edition 14

Welcome to our 19th Annual Bull Sale. Once again we are happy to be working with Scott Kuhl and crew at Keady. Emily Gibson will be at the sale broadcasting live for DLMS this year and we welcome her back.

This years sale features some outstanding herdbull prospects to fit your needs. The JSR Estrada sons are second to none and have been demanding a premium for a number of years across Canada. SCX Triumph is a time tested and proven sire with high accuracy EPD's and has some outstanding progeny in this years sale. Two Sparrow bulls have been used in our program (Alvarez and Admiral) and have left their mark not only in the quality of their sons but have made an impact in our cowherd as well. Cedardale Hamilton and CBF Old Fashioned progeny have tremendous haircoats, are stout and easy doing and will calve easily.

Feel free to contact us at anytime if you wish to view the bulls before the sale or for any other info you might want.

Bulls can be viewed starting Friday after 1pm at Keady Livestock.

Futures' One Simmental Bull Sale ~ Edition 14 ~

We would first like to thank Saunders Charolais for the fourteenth invitation to join their well established sale. The Red & Black Simmental bulls being offered are as strong as last year. We are proud to be associated with this sale in the heart of Ontario's Cattle Country.

The bulls offered have been rigorously selected for docility, scrotal, maternal values and terminal traits to maximize your bottom line and efficiency. We are witnessing tremendous demand for Simmental Bulls in North America to provide calving ease and more pounds at weaning. The trend has started for Simmental Bulls.

The bulls are developed together on a grain ration with corn silage and dry hay and are presented in their working clothes. The bulls will be semen tested and guaranteed as per the Simmental Association guidelines.

We look forward to answering any questions you have regarding the offering either before hand or in Keady. If you cannot make it, please feel comfortable to contact myself, Travis Fulford or the Saunders to assist you.

We can be available most days to show the bulls in the home yard prior to the sale. Call my cell 519-379-7565 to arrange a time to view the bulls and see their dams.

RTC 5L is a solid made red bull coming to you built from longevity, with his dam still in production at 12 years old. He is smooth made, has lots of bone and muscle with one big hip in him. 5L is the 10th calf born to his dam, with only 3 bull calves born total and all qualifying to be sold in his sale in prior years. Production and proven genetics to offer. He's going to go out and give you calves with mass and bone to push those scales down and get you paid.

This red bull is the full package with his Western Canada pedigree. There is so much middle and top to RTC 10L and when he gets out on the move his foot structure is built to last. His daughters are bound to make the complete female with great udders built for longevity, with more frame and deeper ribbed

Here's the signature marked bull. RTC 13L is a dark red blady bull that is deep bodied and big muscled. 13L comes to you right off one of the biggest, front pasture red cows that walks here at Destiny Simmentals. If you're looking for a bull to put muscle and mass into your calves circle this guy in your catalogue because he's bound to give you a ROI. His dam has produced 3 other bulls sold in this sale and his Grand Dam is the Dam of RTC 15L selling as lot 40.

If you have followed the Destiny Simmental program at all you would've heard of the big time Magnum Twain, the 2008 Champion Female at the Royal Winter Fair and Expo Boeuf. Twain had a very extensive, successful show career. RTC 15L is an ET son of hers and chances of getting your hands on these family genetics are dwindling. 15L is moderate made, with great length and he can get out and move. Longevity is built into this family with his momma departing Destiny Simmentals at 17 years old, remember that if you are looking to make replacement cemales. 5L full brother is working in our own program.

Here's a bull that has caught a lot of eyes since birth. TWFL 116L is impressive from head to hoof. 116L is the perfect package. He has the baldy markings, big muscled, wide topped and to top that off this fella gets out and moves. He's a calving ease bull that is going to go on and make big time calves. Coming off a perfect uddered two year old cow he's got a big future making heavy steers and a good set of freaky fronted replacement females.
